Storage Area Rules and Release of Liability

I understand that the "Storage Area" is not patrolled, fenced, locked or guarded. I understand Kamp Dels in no way guarantees the security of the property being stored.

ALL items placed in storage area must have a current Kamp Dels issued permit tag attached in a clearly visible location (near the tongue of a trailer.)

Storage items not clearly identified with a current Kamp Dels permit will be removed at the owner's expense as well as any offsite storage expenses which may be incurred. Items assumed to be abandoned (such as but not limited to docks, decks, boat lifts, pontoon lifts, and items associated with boat/ lakeshore equipment) will be discarded.

Kamp Dels is not responsible for the trim mowing around storage items. Please maintain by trim mowing the area around your stored items. If your items are regularly parked in an area where the grass is not maintained (we do have surveillance cameras in the area) you will be charged a fee of \$25.00 per time for Kamp Dels Staff to trim mow around your items.

I hereby agree to hold Kamp Dels, its officers, agents, employees, and volunteers harmless from, and hereby release any claim I may have against Kamp Dels, as the result of any damage (Including, without limitations, theft, vandalism, malicious mischief, fire, weather related damages, hail, wind, or act of God) to my property arising from or occurring while it is stored or moved in or out or around in the storage location regardless of whether such loss or damage may have been caused or contributed to in full or in part by an act, error or omission of Kamp Dels or its officers, agents or employees. I agree to maintain property and liability insurance on all items stored in the designated storage area.

The fee for 2023 is \$50.00. This storage fee is for lake equipment only. Other types of storage must be preapproved by upper management.
